

POP Arts | Updates from the September 9, 2026 Meeting

Patrons of Orange Performing Arts

About POP Arts

POP Arts is a parent booster organization supporting Band, Choir, Orchestra and Theatre at Olentangy Orange High School and its feeder middle schools. We raise funds, recruit volunteers and do what we can to help our students succeed.

September 2026 Highlights

Day of Giving is October 3!

Molly Cole has our Day of Giving neighborhood canvassing routes revamped with brand-new envelopes and easy-to-read maps. There are 71 routes up for grabs — sign your student up in the hallway, or find the adult route sign-up and the donate-ahead-of-time QR graphic on our Linktree at right.

Concessions: Rolling Right Along

Our VP Concessions team has been shopping around to get better stock pricing while keeping menu prices fair, and there are still volunteer shift openings — especially for football Friday nights. Shift sign-ups and hour tracking for credits and volunteer hours are fully electronic through CutTime — find the sign-up link on our Linktree at right.

Fundraising: Getting Organized

Our new VP Fundraising team met with outgoing VP Becky Hickman to map out what PopArts-wide fundraising looks like this year. Our first big push, Santa letters, kicks off closer to Thanksgiving — until then we're cheering on each program's own fundraisers.

Financial Update

Our Treasurer team closed out the books for 2025-26 and is getting director binders (paper and digital) ready with all the forms directors need. Reminder: director budgets are staying the same as last year, and new credit card statements are on their way to directors soon.

Board Manual & Bylaws

The 2026–2027 Board Member Orientation Manual is ready to share, and will be updated again once our bylaws refresh is complete. Tiffany Brunetti Monroe is leading a volunteer team — with Krysta Denner and Donna Hammill, who worked on our previous bylaw amendments — taking that on this fall.

From the Directors

OOHS Band: Marching season is rolling with a new patriotic show this week, our first home game coming up, and Middle School Night on September 25 welcoming both Orange and Berkshire 8th graders. Watch for Hawaii trip fundraisers starting next week!

OOMS Band: Enrollment is strong and excitement is high. Middle School Night (Sept 25) brings back a post-game celebration for the first time in years. Music polo shirt orders are due October 2.

OOMS Orchestra: Our 6th graders have already learned their first songs, and 7th/8th graders are polishing technique for the fall concerts (mid-November and December 7).

OOHS Choir: Busy, busy, busy! First concert is October 12, three students made All-State Choir, and we're excited to welcome new OOMS Choir Director Cierra Culler to the POP Arts family.

Orchestra (OOHS & OOMS): Off to a strong start with a Halloween-themed concert on October 14. Tri-M students can now satisfy a service shift through concessions — thank you!

OOHS Theatre: The Diary of Anne Frank is underway, with performances September 24–27. Come support our talented cast and crew! Auditions for our fall musical begin the week of October 19.

NEXT MEETING

October 14, 2026

via Zoom. We meet the 2nd Wednesday of every month.
