

About POP Arts

POP Arts is a parent booster organization supporting Band, Choir, Orchestra and Theatre at Olentangy Orange High School and its feeder middle schools. We raise funds, recruit volunteers and do what we can to help our students succeed.

August 2026 Highlights

New Members, New Energy!

Big welcomes all around! First up, a huge welcome to Cierra Culler, who is joining us as our new Choir Director at Orange Middle School. We are excited to have you! We also want to officially welcome Tiffany Brunetti Monroe as Secretary, our new VP Concessions crew: Douang Brunotts, Sarah Kern-Kildow and Amy Spengler, and our VP Fundraising team: Jen Panovski and Stephanie Vermeer.

Outdoor Concessions: Ready for the Season

Good news: the stand has been cleaned up, restocked, and is ready to go. Something new this year is a QR code sign-in at the stand; just scan at the start of your shift, and your shift is logged for CutTime or student records. Students still need to enter volunteer hours in School Links and submit to the POP Arts email. All performing arts families are asked to sign up for two shifts this season. Sign up link is available [here](#) and on our social media accounts. We'll do an open house with our new leads after curriculum night 8/25 @ 8 p.m. in the outdoor concession stand.

Fundraising News

Our new VP Fundraising team has hit the ground running and is already connecting with Becky Hickman for a full handoff.

Financial Update

Happy to share that POP Arts is in a strong financial position heading into the new year. Our Treasurer team has been meeting monthly to get processes dialed in and is putting together binders for each director with the key forms they need. Starting this year, directors will get a simple monthly snapshot showing their budget, what has come in and what is left to spend.

A New Board Manual

We put together a Board Member Orientation Manual this summer to make it easier for anyone new to the board to get up to speed. Executive Board members are taking a look at the draft now and we are hoping to wrap it up before the September meeting.

From the Directors

OOHS Band: Band camp was a huge success at a new location this year. Students learned their complete first show and got to show it off in a performance on August 7. So exciting to see what this group is capable of already! OOMS Jazz Band is also back this fall, meeting before school from 7:30 to 8:15 am every day. Around 115 new 6th graders are joining the band program, which is just awesome. OOHS Theatre: Diary of Anne Frank rehearsals start on Monday. Shows are September 24, 26 and 27. Orchestra: Summer Strings Camp was a big success! Look out for a Halloween concert in late October and a Chamber Music Dinner Concert in December. Tri-M students will now need to do at least one concessions shift to earn their graduation cord. Choir at OOMS: Ms. Siebert is sorting out class lists and locking in concert dates. More to come!
